Most braiding designs contain lots of corners and curves, and a too-stiff braid will only be an exercise in frustration. Soutache is generally sold in 1/8 and 1/16 inch sizes. Which size you choose depends on taste and the scale of your project. I find that the 1/8 inch soutache works well for adult sized garments.

Beadsmith Soutache Braid has been specifically created for jewellery makers. It has been designed to be consistent in width and drape. Rayon has more sheen than polyester and is available in more muted colours. Polyester takes colour beautifully so is available in brighter colours. Both can be used together in the same project.

Soutache Braid - Robin's Beads

Soutache, also known as Russia braid, is a narrow flat decorative braid, a type of galloon, used in the trimming of drapery or clothing. Soutache is created by weaving a decorative thread around and between two parallel cords and completely covering the cores; this produces a piece of trim with a braided or herringbone pattern. Often woven of metallic bullion thread, silk, or a blend of silk and wool, soutache began to be made of rayon and other synthetic fibers in the 20th century. Soutache is
