Puppet Play Therapy is a comprehensive guidebook that describes the basic skills, techniques, and applications for selecting and working with puppets in specific types of settings and populations. Written by preeminent voices in the field, chapters offer invaluable guidance on selecting, using, and assessing puppet-based therapeutic interventions. Both beginning and experienced clinicians will also appreciate the inclusion of practical, step-by-step approaches and reproducible handouts that will aid them in their puppet play therapy sessions.

''Oh Dear!' is young Buster's response each time that his search for eggs on his grandmother's farm is futile. The pattern is the same throughout his search: he looks in the barn, or sty, or pond, where a flap can be lifted to reveal the animal that lives there, making the sound associated with it"... Crafting has never been more popular and Maggy Woodley, the creative force behind Red Ted, is passionate about making things with her children, Max, four, and Pippa, two. Using recycled materials and bits and bobs collected when out and about, here are over 60 utterly irresistible things to make with your kids. From adorable peanut shell finger puppets to walnut babies, loo roll marionettes and egg carton fairy lights, fabric mache bowls, stick men and shell crabs, stone people, and many more, these are projects for all the family to have fun with. And what's more, the end results are so cute and desirable that they look great around the home, or make wonderfully unique and personal gifts. With a funky, modern design and vibrant full colour photography throughout, this is a must-have addition to every young family's bookshelf.

School is starting in the forest, but Chester Raccoon does not want to go. To help ease Chester's fears, Mrs. Raccoon shares a family secret called the Kissing Hand to give him the reassurance of her love any time his world feels a little scary. Since its first publication in 1993, this heartwarming book has become a children's classic that has touched the lives of millions of children and their parents, especially at times of separation, whether starting school, entering daycare, or going to camp. It is widely used by kindergarten teachers on the first day of school. Stickers at the back will help children and their parents keep their Kissing Hand alive.
