SuicideGirls: Hard Girls, Soft Light (\$26) is the second photography tome from the revered website, boasting over 200 pages of photos that continue to challenge the typical pop culture definition of beauty while serving as inspiration for your next — or first — tattoo. Oh, and if you couldn't tell from the title, most of the photos were shot using natural light, giving them a quality rarely found in collections like this.

Suicide Girls: Hard Girls, Soft Light – Jean Cocteau Cinema

Hard Girls, Soft Light seems to skip from model to model too fast, mostly a single page at a time. I would have liked small 3-4 page sections featuring each model more. Another poster commented that they wished that there would have been more models with tattoos and piercings. I think that this misses the entire point of SG.
