Caroline Leaf – Switch on Your Brain: The Key to Peak ...

What disappointed you about Switch on Your Brain? I like Leaf's work, but the narrator reads a list of bible verses frequently which makes it impossible to concentrate on the content. When you are reading a physical book, you can just skip over the lists, but when I have the audio running in the background, I don't want to keep running back to ...

Switch on Your Brain by Dr. Caroline Leaf | Audiobook ...

The switch on your brain is the key to optimal health and well-being. It may seem like a simple process, but it's not easy to do. You have to replace negative thoughts with positive ones and repeat them over and over again until they become ingrained in your unconscious mind.

Switch On Your Brain Book Summary, by Dr. Caroline Leaf ...

Nothing I'd found worked for long, but Switch On Your Brain seems to have done the trick. The book is an excellent primer on cognitive development and even quantum science as it relates to the brain. That is to say, there is no fluff in this book. It works off of proven scientific methods for changing your thought processes one step at a time.

Switch On Your Brain Workbook (??0.0k) | eBay

Switch On Your Brain and this workbook. There are two sections: science/ philosophy and theology/philosophy. Many of these sources can be found in the bibliography and notes in Switch On Your Brain, but I have highlighted the most important books and articles and added a few new sources I have researched since writing Switch On Your Brain in 2013.
