In That's Not What I Meant!, the internationally renowned sociolinguist and expert on communication demonstrates how our conversational signals--voice level, pitch and intonation, rhythm and timing, even the simple turns of phrase we choose--are powerful factors in the success or failure of any relationship. Regional speech characteristics, ethnic and class backgrounds, age, and individual personality all contribute to diverse conversational styles that can lead to frustration and misplaced ...

You meant to say something or agree to something, but the "other side" didn't hear it that way. That's enough for a customer to walk away forever. That's enough for a lawsuit. Because denying the experience of the other person doesn't open the door for re-connection. Forward motion is possible if we can extend the sentence to, "That's not what I meant, but that must be what you heard, how do we fix this?"

In THAT'S NOT WHAT I MEANT!, Dr. Tannen shows that growing up in different parts of the country, having different ethnic and class backgrounds, even age and individual personality, all contribute to different conversational styles. Entertaining and informative, this is an essential complement to psychological theories of human behavior.

"I didn't mean it like that. That's not how I meant to come across ..." Clear communication and apologizing to others when appropriate is good, but there's something else that is even more important. In 1 John 1:5-7, it says, "God is light and in Him is no darkness at all. ... But if we walk in the light as He is in the light, we have fellowship with one another, and the blood of Jesus Christ His Son cleanses us from all sin.
