The art of Tangled is a book I had been planning to get for a while. After having been swept away by the beauty of the movie, and seeing glimmers of concept art online, I knew that Tangled was something special. The amount of detail, warmth and character, captured in the pages of this book is truly breath-taking.

Another entry into the Disney/Pixar Art of series of books, the Art of Tangled is a stands along it's predecessors as an excellent mix of a concept art book and a making of book. The art is bright and detailed and the making of segments aren't too wordy and provide a nice insight into the making of the movie.

TANGLED CONCEPT ART. Tangled Visual development . While working on Tangled, I wanted to better understand the character of Rapunzel and what she did all day so I kept a journal of the things I did at home and translated it into Rapunzel's world. It helped me see her as a real person who lived beyond the scenes and plot points of the movie.
