The Elizabethan Worldview. The Elizabethans believed in a hierarchical ordering of all existence from heavenly bodies to a hierarchical ordering in society with a semi-divine monarch at the head to a hierarchical ordering of human physiology and psychology. These hierarchies were connected by a complex of “correspondences”.

~~The Elizabethan Worldview | Oliver Gray~~

The Elizabethan age contrasts sharply with the previous and following reigns. It was a brief period of internal peace between the English Reformation and the religious battles between Protestants and Catholics and then the political battles between parliament and the monarchy that engulfed the remainder of the seventeenth century.

The Elizabethans took from the Middle Ages the modified view of the universe which, Platonic and biblical in origin, radically differed from our own. For them all creation was ranged in an unalterable order from the angels down to man - for whom the world existed - and thence to the beasts and plants.
