The Hippopotamus is a comic novel by Stephen Fry. Written in part as an epistolary novel, it is largely narrated by the main character Edward "Ted" Wallace. Wallace is an alcoholic washed-up poet and theatre critic who, having been fired from his newspaper job, accepts a lucrative commission from his terminally ill goddaughter to investigate rumours of miracle healings at Swafford Hall, country mansion of Wallace's old friend Lord Logan.

has his faults too. Fired from his newspaper, months behind on his alimony payments and disgusted with a world that undervalues him, Ted seeks a few months repose and free drink at Swafford Hall, the country mansion of his old friend Lord Logan.

The Hippopotamus by Stephen Fry - Goodreads

A country manor mystery that's actually a deliciously wicked comedy of manners, *The Hippopotamus* is a rollicking adaptation of the best-selling novel by Stephen Fry. It centers on a lapsed poet, failed drama critic, redundant husband and hard-working drunk, Ted Wallace (the mellifluously voiced Roger Allam in a rare starring role).

The Hippopotamus (2017) - IMDb

Phenomena beyond the comprehension of a mud-caked hippopotamus like Ted. With this funny and deliciously readable novel, Stephen Fry takes his place as one of the most talented comic novelists of his generation. Publisher: Cornerstone. ISBN: 9780099457039.

The Hippopotamus by Stephen Fry - AbeBooks

Stephen Fry's charmingly misanthropic send-up of the English mystery features an unlikely but necessary hero: Ted Wallace, AKA the Hippopotamus, a failed and disolute poet, recently fired theater critic, and muckraker of modern irrationality, whose war against the unreasonable finds sudden purpose investigating a series of supposed miracles at a mansion in the country.

Now a major motion picture: A "deliciously wicked and amusing" tale of a cranky curmudgeon investigating strange goings-on at an English country house (The New York Times). "I've suffered for my art, now it's your turn." So begins the story of Ted Wallace, unaffectionately known as the Hippopotamus. Failed poet, failed theater critic, failed father and husband, Ted is a shameless womanizer, drinks too much, and is at odds in his cranky but maddeningly logical way with most of modern life. Fired from his job at the newspaper, Ted seeks a few months' repose and free liquor at

Swafford Hall, the country mansion of his old friend Michael Logan. This world of boozy dinners, hunting parties, and furtive liaisons has recently been turned on its head by miracles, healings, and phenomena beyond Ted's comprehension. As the mysteries deepen, *The Hippopotamus* builds into a rollicking sendup of the classic British mystery that is "tremendously funny" (Christopher Buckley) and a "near-perfect book" (Entertainment Weekly). The basis for the recent movie starring Roger Allam, Matthew Modine, and Fiona Shaw, "The Hippopotamus is animated by an antic sense of comedy and features a willfully feckless hero . . . Described in uproarious terms that suggest Wodehouse crossed with Waugh, Swafford emerges as a parody of every upper-class country house ever depicted in an English novel" (The New York Times).

An "outrageously hilarious" novel about a young man who has trouble with the truth (The Boston Globe). Adrian Healey loves to lie. He does it all the time. Every minute, every moment. And worse, he does it wonderfully, imaginatively, brilliantly. He lies to buck the system, to express his contempt for convention, but mostly because he just plain likes to. It's fun. He invents a lost pornographic novel by Charles Dickens, and, for himself, a career as a Piccadilly rent boy, hireable by the hour. But Adrian's lies eventually bring true danger, as he finds himself caught up in the machinations of a shadowy network that puts his own life at risk, in this "clever and entertaining novel that will appeal to Anglophiles with a twisted sense of humor" (Library Journal).

Ted Wallace is an old, sour, womanising, cantankerous, whisky-sodden beast of a failed poet and drama critic, but he has his faults too. Fired from his newspaper, months behind on his alimony payments and disgusted with a world that undervalues him, Ted seeks a few months repose and free drink at Swafford

Hall, the country mansion of his old friend Lord Logan. But strange things have been going on at Swafford. Miracles. Healings. Phenomena beyond the comprehension of a mud-caked hippopotamus like Ted. With this funny and deliciously readable novel, Stephen Fry takes his place as one of the most talented comic novelists of his generation.

This "terrific" novel of alternate history asks: What if Hitler had never been born? (The Washington Post). Michael Young is a graduate student at Cambridge who is completing his dissertation on the early life of Adolf Hitler. Leo Zuckermann is an aging German physicist haunted by the Holocaust. Together, they idealistically embark on an experiment to change the course of history. And with their success is launched a brave new world that is in some ways better than ours—but in most ways even worse.

Award-winning author and illustrator Duncan Tonatiuh tells the story of Amalia Hernández, dancer and founder of El Ballet Folklórico de México. Published in time for the 100th anniversary of Hernández's birth, *Danza!* is the first picture book about the famous dancer and choreographer. *Danza!* is a celebration of Hernández's life and of the rich history of dance in Mexico. As a child, Amalia always thought she would grow up to be a teacher, until she saw a performance of dancers in her town square. She was fascinated by the way the dancers twirled and swayed, and she knew that someday she would be a dancer, too. She began to study many different types of dance, including ballet and modern, under some of the best teachers in the world. Hernández traveled throughout Mexico studying and learning regional dances. Soon she founded her own dance company, El Ballet Folklórico de México, where she integrated her knowledge of ballet and modern dance with folkloric dances. The group began to perform all over the country and soon all over the world, becoming an international sensation that still tours

today. Duncan Tonatiuh's picture books have been honored with many awards and accolades, including the Pura Belpré Award, the Robert F. Sibert Award, and the New York Times Best Illustrated Book Award. With Tonatiuh's distinctive Mixtec-inspired artwork and colorful drawings that seem to leap off the page, *Danza!* will enthrall and inspire young readers with the fascinating story of this important dancer and choreographer.

The British author and actor shares his own entertaining gay coming-of-age story, from his tumultuous youth, to the teenage love affair with a fellow schoolboy that had a profound impact on his life, to the attempted suicide, delinquency, and madness that followed. 20,000 first printing.

By his early thirties, Stephen Fry—writer, comedian, star of stage and screen—had, as they say, “made it.”? Much loved on British television, author of a critically acclaimed and bestselling first novel, with a glamorous and glittering cast of friends, he had more work than was perhaps good for him. As the ‘80s drew to a close, he began to burn the candle at both ends. Writing and recording by day, and haunting a never-ending series of celebrity parties, drinking dens, and poker games by night, he was a high functioning addict. He was so busy, so distracted by the high life, that he could hardly see the inevitable, headlong tumble that must surely follow . . . Filled with raw, electric extracts from his diaries of the time, *More Fool Me* is a brilliant, eloquent account by a man driven to create and to entertain—revealing a side to him he has long kept hidden.

Read Online The Hippopotamus Stephen Fry

Comedian and actor Stephen Fry's witty and practical guide, now in paperback, gives the aspiring poet or student the tools and confidence to write and understand poetry. Stephen Fry believes that if one can speak and read English, one can write poetry. In *The Ode Less Travelled*, he invites readers to discover the delights of writing poetry for pleasure and provides the tools and confidence to get started. Through enjoyable exercises, witty insights, and simple step-by-step advice, Fry introduces the concepts of Metre, Rhyme, Form, Diction, and Poetics. Most of us have never been taught to read or write poetry, and so it can seem mysterious and intimidating. But Fry, a wonderfully competent, engaging teacher and a writer of poetry himself, sets out to correct this problem by explaining the various elements of poetry in simple terms, without condescension. Fry's method works, and his enthusiasm is contagious as he explores different forms of poetry: the haiku, the ballad, the villanelle, and the sonnet, among many others. Along the way, he introduces us to poets we've heard of but never read. *The Ode Less Travelled* is not just the survey course you never took in college, it's a lively celebration of poetry that makes even the most reluctant reader want to pick up a pencil and give it a try.
