Analysis The Outsider: Brian Sewell Autobiography Book Review

The Outsider My Autobiography
Compelling autobiography. I liked the style of the writing. Connors personality came across very loud and clear throughout. However, his memory of his record against Borg at the US Open was a little inaccurate, given that the Swede beat him in their final encounter there in the semi finals in 1981 in straight sets; 6-2 7-5 6-4.

Amazon.co.uk: Connors ...

Kudos to Jimmy Connors for valiantly trying to argue in his autobiography, The Outsider, that the current spectacle of Roger Federer, Djokovic and Nadal - whose courtesy and dignity generally match the superlative quality of their play - has nothing on his own era of incontinent litigiousness, oncourt swearing, childish tantrums, umpire abuse, celebratory crotch-grabbing and mutual hatred between top players.

Where To Download The Outsider My Autobiography

Connors' book has the ring of honesty... a magnificent snapshot of his era.
