Here ' s a book that for the first time collects and catalogues all Gabriele Basilico ' s photo books, from 1978 to 2006: over twenty years of career. Every book is presented with its original cover, bibliographic data and a photo taken from the interiors.

A photographic journey through the history of this epic city Samuel Johnson famously said that: " When a man is tired of London, he is tired of life. " London ' s remarkable history, architecture, landmarks, streets, style, cool, swagger, and stalwart residents are pictured in hundreds of compelling photographs sourced from a wide array of archives around the world. London is a vast sprawling metropolis, constantly evolving and growing, yet throughout its complex past and shifting present, the humor, unique character, and bulldog spirit of the people have stayed constant. This book salutes all those Londoners, their city, and its history. In addition to the wealth of images included in this book, many previously unpublished, London ' s history is told through hundreds of quotations, lively essays, and references from key movies, books, and records. From Victorian London to the Swinging 60s; from the Battle of Britain to Punk; from the Festival of Britain to the 2012 Olympics; from the foggy cobbled streets to the architectural masterpieces of the millennium; from rough pubs to private drinking clubs; from Royal Weddings to raves, from the charm of the East End to the wonders of the Westminster; from Chelsea girls to Hoxton hipsters; from the power to glory: in page after page of stunning photographs, reproduced big and bold like the city itself, London at last gets the photographic tribute it deserves. Photographs by: Slim Aarons, Eve Arnold, David Bailey, Cecil Beaton, Bill Brandt, Alvin Langdon Coburn, Anton Corbijn, Terence Donovan, Roger Fenton, Bert Hardy, Evelyn Hofer, Frank Horvat, Tony Ray-Jones, Nadav Kander, Roger Mayne, Linda McCartney, Don McCullin, Norman Parkinson, Martin Parr, Rankin, Lord Snowdon, William Henry Fox Talbot, Juergen Teller, Mario Testino, Wolfgang Tillmans, and many, many others. For die-hard lovers of Paris, Berlin, London, Los Angeles, and New York, TASCHEN introduces the Portrait of a City Art Edition series. For each edition, limited to only 500 copies, a legendary local fashion designer is invited to design a bespoke fabric to line the cover, and a large signed and numbered print of one of the images from the book is included. Paul Smith has designed the fabric cover for the Art Editions of London: Portrait of a City, and the print Traffic Policeman was taken by photographer Elmar Ludwig. Art Edition B - No. 501-1,000 Traffic Policeman, 1960s Fine art print on archival paper 52 x 68 cm (20.5 x 26.8 in.) (Frame not included) Also available in another Art Edition (No. 1-500)

Conceived at Fabrica, the communications research centre of the Benetton group, this collection of personal and collective work deals with diversity in unity, with images ranging from the surrealistic photography of Margot Knight to the delicate illustrations of Giorgia Ricci.

The urban environment offers an exciting array of subjects to photograph, even in the smallest of towns. In the time it takes to walk a street or two, you can photograph panoramic skylines, people up close, at work or play, abstract architectural details, frenetic street activity, peaceful park scenes and so much more. You can capture elements of the past and present through the city's architecture in one carefully composed street scene, then, within minutes, frame up the most recognisable landmark in the city. This book gives you the practical skills and creative techniques you need to capitalize on the beautiful world right on

your doorstep.

Instant Newton: A collection of Helmut Newton's test Polaroids Polaroids occupy a special place in the hearts of many photo enthusiasts who remember a time when "instant photography" meant one-of-a-kind prints that developed within minutes of clicking the shutter. What was once a crucial tool for photographers to test their shots before shooting on film has now become obsolete in the face of digital photography. Luckily for us, legendary photographer Helmut Newton saved his test Polaroids, allowing a privileged and rare chance to see the tests from a selection of his greatest shoots over a period of decades, including many from the TASCHEN titles SUMO, A Gun for Hire, and Work. Selected by his widow, June Newton, from over 300 photos featured at the 2011 exhibition "Helmut Newton Polaroids" at the Museum für Fotografie in Berlin, this collection captures the magic of Helmut Newton photo shoots as only Polaroids can.
