Productivity: The Time Chunking Method | Rhodes Sites

It's what I call "time chunking", and everybody does it to some degree. I used to chunk my time on a daily basis, setting aside certain chunks of the day for projects or tasks, depending the time I had at my disposal. For example, on Fridays (when we have had no child care), I don't do much "heavy lifting" at all.

Time Chunking - Productivityist

When given a division problem that cannot be solved using short division, you can use the chunking method to find the quotient. This method is also called the "partial quotients method" because you are essentially finding the total quotient one part at a time. All parts will eventually be added together so that you can find the final, total quotient.
