Charles and Diana's wedding caused a 'frenzy.' Here's why ...

The Wedding Rescue is a fantasy come true for most women. Sexy, alpha hero, curvy, sweet heroin and a dysfunctional family. Then there is the element of drama from her crazy ex, or is it her ex? Only time and the next installment will tell (I hope)! Loved it.

The Wedding Rescue, Book 2 by Alexa Wilder

Directed by Sobey Martin. With James Stacy, Wayne Maunder, Andrew Duggan, Elizabeth Baur. Scott and his friend Josh, a Lancer ranch hand, try to rescue Josh's fiancée, who was kidnapped by outlaws during the wedding ceremony.

She thinks she's not his type. He's determined to prove her wrong. Leigha Carmichael is used to the quiet life. A junior accountant by day, she knows girls like her don't have exciting lives. She's smart, shy and her curvy body doesn't fit in among the beauty queens of Las Vegas. Still reeling from her ex-boyfriend's betrayal, Leigha's sworn off all men. Except she has a huge problem, and only the right man can solve it. The moment he sees her across a crowded bar, Dylan Kane knows he wants her. And Dylan Kane always gets what he wants. Especially when the object of his desire is sitting in his own casino. She's nothing like the skinny, overly made up women he's used to. From her clear gray eyes to her luscious curves, Leigha is the real thing. Exactly the change of pace he's been looking for. And even better, she needs something from him. With the bargain he has in mind, they'll both get exactly what they want. In the few days she's his, Dylan plans to take control of every delectable inch of Leigha's body. But when the weekend is over, will he be able to let her go?

Cami Hendricks has a lot on her plate. She's a single mom, works full-time, and her ex is a nightmare. Plus, every time she sees her mother, Cami has to tolerate her jabs about her weight. As if all that wasn't enough, the first guy Cami thinks she might really like seems to be playing games with her. His hot and cold attitude is not what she needs, especially with her ex playing hardball for full custody of her daughter. Drew Sloane is torn - he can't get Cami out of his mind. Ever since he met her at a party, all he can think of is her beautiful face and her luscious body. But the timing couldn't be worse. Before he can dedicate himself to winning Cami, Drew has a delicate personal situation he has to clear up. Now that Cami has lost all trust in him, can he convince her that she's all he wants? BOOK ONE EXCERPT: She allowed him to lead her towards the beach, where they both sat down in the sand and stared out at the ocean. Or rather, it was Cami who was staring out at the ocean. After a moment, she realized that Drew was staring at her. She turned her eyes towards him, and her breath caught at the his hungry look. One moment they were staring at each other, the next, they were kissing. Cami didn't know how it started, but what she did know was that Drew's lips were suddenly on her own, hard and hungry, his tongue seeking entrance into her mouth. For a split second, Cami froze. She had not been with a man since her divorce and hadn't planned on being with one now. But Drew had been so sweet, and he was so sexy, and his lips felt delicious against her own. So Cami finally allowed herself to relax, leaning into the kiss and opening her mouth to let him in.

The alpha gave me a baby. While snorkeling in the Caribbean, I got lost. I washed up on a remote island, only to be confronted by a very handsome, but utterly pissed alpha male. Tom is sullen, stormy, and gorgeous. He's got piercing blue eyes, a square jaw, and six pack abs that make my mouth water. Evidently, he's the caretaker for this private island and sees me as nothing more than a pain in the ass ... until one fateful night. To say that there were fireworks is putting things lightly. But then, the secrets begin coming out. Tom's not just the caretaker. He owns this island. In fact, he's an actor. A famous one. He's even won an Academy Award! Is it my fault that I never watch TV or movies? I'm stunned, but I have my own secret too because now I'm expecting his child. But will the alpha male ever know? After all, the island keeps its secrets ... and my pregnancy is only the beginning. This is a secret baby second chance romance where our sassy heroine is filled with spirit and fire. Brynn's outraged that Tom didn't tell her the truth about his identity from the get-go, and she's going to make sure he knows it! But never fear, they get their happily ever after because the baby needs both of his parents. No cheating, no cliffhangers, and

always an HEA for my readers.

She thinks she's not his type. He's determined to prove her wrong. Leigha Carmichael is used to the quiet life. A junior accountant by day, she knows girls like her don't have exciting lives. She's smart, shy and her curvy body doesn't fit in among the beauty queens of Las Vegas. Still reeling from her ex-boyfriend's betrayal, Leigha's sworn off all men. Except she has a huge problem, and only the right man can solve it. The moment he sees her across a crowded bar, Dylan Kane knows he wants her. And Dylan Kane always gets what he wants. Especially when the object of his desire is sitting in his own casino. She's nothing like the skinny, overly made up women he's used to. From her clear gray eyes to her luscious curves, Leigha is the real thing. Exactly the change of pace he's been looking for. And even better, she needs something from him. With the bargain he has in mind, they'll both get exactly what they want. In the few days she's his, Dylan plans to take control of every delectable inch of Leigha's body. But when the weekend is over, will he be able to let her go? BOOK ONE EXCERPT: I saw her across a crowded room. It's such a cliché, especially for me. I see beautiful women across crowded rooms all the time. The Delecta was my casino, and she was sitting at my bar. It's hard to say what made me stop. She wasn't a showgirl or a model, and nothing like the tall, skinny, overly made up women I was accustomed to. No, she was something else. She was real. When was the last time I'd had real? Real curves, generous enough to have her hips straining the seams of her navy blue dress. Real tits. Had to be. They were soft and full, even from a distance. They, too, strained against her dress. Mouthwatering. And her lips. A plump bow, ready to open for me. I had to see more.

Life is perfect for Freya Rose. She has a gorgeous boyfriend, a loving mother... Oh, and her very own stalker... Okay, so maybe Freya's life isn't quite as perfect as she thought. There is more to the picturesque town of Jasper, Alberta than meets the eye. The residents quiet, and laid back demeanors perfectly disguise an extraordinary community of werewolves, vampires, and hunters. When Freya is finally able to see beyond the secrets, she is introduced to a supernatural world full of temptation, power, and love rivals. Freya's relationship with Tristan struggles to make it past all of the lies and secrets, so when a mysterious stranger strolls into her life, will she be able to resist his seductive charms? The biggest question is, how will she react when she discovers that she belongs in this new world, far more than she ever realized. This book contains adult themes, therefore 18+ is advised. This story ends in a cliffhanger, and is then continued in *Abandoned By An Alpha*. There may be some triggers in this book, ie, stalking, murder, adultery, and hunks that might melt your clothes off. The series as a whole, has a reverse harem feel to it, but Freya does not entertain all of the guys at once. That being said, there are a few scenes where more than one guy is involved, so be prepared. Lastly, if you would like to follow me, I can be found on Facebook (L.P. Dillon) or at Author L.P.Dillon's Divas on Facebook. I'm also on Twitter and Instagram occasionally, and my Freya Rose series can be found on Radish. Ps. I'm sorry that you're hanging by your fingertips on that cliff edge, I'll send one of Freya's guys along to save you soon xxx

Eighteen-year-old Trinity is unlike any other werewolf in her pack. For one, there were unusual circumstances surrounding her birth, for another, she is the only pack member to never shift into a wolf form. So now she doesn't quite belong anywhere. Not quite human and not quite wolf. She thought she would be able to live her life how she wanted when she had turned eighteen. Go to college, make some friends, have some fun. But what is she to do when the dangerously sexy Alpha literally falls right into her lap? "I am not human, and I am not a wolf. I don't belong anywhere..." "...we both know that no one is going to mate with me, and even if they did, they would just reject me anyway." What is the sexy, brooding Alpha going to do? The elders are making him hold these ridiculous parties to search for a mate. He doesn't want a mate, but he knows he needs a mate to finish the Alpha Circle. Without a mate, a Luna for the pack, his people would suffer. And what is he going to do when he stumbles across the girl that fate has chosen for him and he finds out she has no wolf? "This cannot be!" I roared. "There is no way that I can mate with a girl that does not even have a wolf. She will be too weak. She will be inferior. She will not be strong enough to be a Luna." "I simply could not accept her as my mate. Not fully. It wasn't safe for her. She would get herself killed. And she would bring my pack down with her." When these two meet, sparks will surely fly. But will it be from passion, or their constant fighting? Neither of them wanted a mate. Neither of them wants the mate that fate chose for them. And neither of them can make that mate bond go away. What are they going to do now that they're literally stuck with each other?

The Great Escape for the Great War: the astonishing true story of two World War I prisoners who pulled off one of the most ingenious escapes of all time. "Fox unspools Jones and Hill's delightfully elaborate scheme in nail-biting episodes that advance like a narrative Rube Goldberg machine." —The New York Times Book Review Imprisoned in a remote Turkish POW camp during World War I, having survived a two-month forced march and a terrifying shootout in the desert, two British officers, Harry Jones and Cedric Hill, join forces to bamboozle their iron-fisted captors. To stave off despair and boredom, Jones takes a handmade Ouija board and fakes elaborate séances for his fellow prisoners. Word gets around, and one day an Ottoman official approaches Jones with a query: Could Jones contact the spirit world to find a vast treasure rumored to be buried nearby? Jones, a trained lawyer, and Hill, a brilliant magician, use the Ouija board—and their keen understanding of the psychology of deception—to build a trap for their captors that will ultimately lead them to freedom. A gripping nonfiction thriller, *The Confidence Men* is the story of one of the only known con games played for a good cause—and of a profound but unlikely friendship. Had it not been for "the Great War," Jones, the Oxford-educated son of a British lord, and Hill, a mechanic on an Australian sheep ranch, would never have met. But in pain, loneliness, hunger, and isolation, they formed a powerful emotional and intellectual alliance that saved both of their lives. Margalit Fox brings her "nose for interesting facts, the ability to construct a taut narrative arc, and a Dickens-level gift for concisely conveying personality" (Kathryn Schulz, New York) to this tale of psychological strategy that is rife with cunning, danger, and moments of high farce that rival anything in *Catch-22*.

Curvy bobcat shifter Lainey Robinson is through with men—so she's fleeing to the most out of the way bed and breakfast she can find, in tiny Blue Moon Junction, Florida. She shows up expecting privacy, peace and quiet. What she gets is total chaos—she's landed right in the middle of the local Alpha's wedding week. Worse, some crazy love psychic is insisting that Lainey crash the wedding because her fated mate will be there, tensions are running high between the Blue Moon Pack and a rival pack, and a gorgeous wolf shifter is either suspiciously interested in Lainey, or just suspicious of her.

As far as twenty-seven-year old Ellie Jones is concerned, she is not only the youngest CEO in her company's history, she's also the best. So when Daniel Treville—one of the richest men in America—purchases the company and wants to lead it in a new direction, Ellie is not about to give up power without a fight. Daniel is not a man to be trifled with, however, and when she

defies him Ellie quickly finds herself pulled over the handsome billionaire's knee for a painful, humiliating bare-bottom spanking. Yet despite her outrage and embarrassment, Daniel's firm chastisement leaves her unbelievably aroused, and when he takes her long and hard on her own desk it is by far the hottest thing she has ever experienced. But Daniel has much more than just a good, hard spanking planned for Ellie. He has it in mind to own not just her company, but her as well. She will remain CEO, but she will also have a new role as his sexy, submissive pet, and soon enough Ellie finds herself naked except for a tail in her bright red, well-spanked bottom, being taught to please her new master properly. Though she cannot deny the fact that Daniel's dominance sets her ablaze with desire, Ellie still has a thing or two up her sleeve, and he will have to work hard to keep her in line. But when she takes her defiance too far and ends up in over her head, will she end up losing Daniel forever? Publisher's Note: The Billionaire's Pet is an erotic romance novel that contains spankings, sexual scenes, pet play, pony play, anal play, elements of BDSM, and more. If such material offends you, please don't buy this book.

#1 NEW YORK TIMES BESTSELLER • OPRAH ' S BOOK CLUB PICK • NATIONAL BOOK AWARD LONGLIST • “ An instant American classic and almost certainly the keynote nonfiction book of the American century thus far. ” —Dwight Garner, The New York Times The Pulitzer Prize – winning, bestselling author of The Warmth of Other Suns examines the unspoken caste system that has shaped America and shows how our lives today are still defined by a hierarchy of human divisions. NAMED THE #1 NONFICTION BOOK OF THE YEAR BY TIME, ONE OF THE TEN BEST BOOKS OF THE YEAR BY People • The Washington Post • Publishers Weekly AND ONE OF THE BEST BOOKS OF THE YEAR BY The New York Times Book Review • O: The Oprah Magazine • NPR • Bloomberg • Christian Science Monitor • New York Post • The New York Public Library • Fortune • Smithsonian Magazine • Marie Claire • Town & Country • Slate • Library Journal • Kirkus Reviews • LibraryReads • PopMatters Winner of the Los Angeles Times Book Prize • National Book Critics Circle Award Finalist • Dayton Literary Peace Prize Finalist • PEN/John Kenneth Galbraith Award for Nonfiction Finalist • PEN/Jean Stein Book Award Longlist “ As we go about our daily lives, caste is the wordless usher in a darkened theater, flashlight cast down in the aisles, guiding us to our assigned seats for a performance. The hierarchy of caste is not about feelings or morality. It is about power—which groups have it and which do not. ” In this brilliant book, Isabel Wilkerson gives us a masterful portrait of an unseen phenomenon in America as she explores, through an immersive, deeply researched narrative and stories about real people, how America today and throughout its history has been shaped by a hidden caste system, a rigid hierarchy of human rankings. Beyond race, class, or other factors, there is a powerful caste system that influences people ' s lives and behavior and the nation ' s fate. Linking the caste systems of America, India, and Nazi Germany, Wilkerson explores eight pillars that underlie caste systems across civilizations, including divine will, bloodlines, stigma, and more. Using riveting stories about people—including Martin Luther King, Jr., baseball ' s Satchel Paige, a single father and his toddler son, Wilkerson herself, and many others—she shows the ways that the insidious undertow of caste is experienced every day. She documents how the Nazis studied the racial systems in America to plan their out-cast of the Jews; she discusses why the cruel logic of caste requires that there be a bottom rung for those in the middle to measure themselves against; she writes about the surprising health costs of caste, in depression and life expectancy, and the effects of this hierarchy on our culture and politics. Finally, she points forward to ways America can move beyond the artificial and destructive separations of human divisions, toward hope in our common humanity. Beautifully written, original, and revealing, Caste: The Origins of Our Discontents is an eye-opening story of people and history, and a reexamination of what lies under the surface of ordinary lives and of American life today.
