intermediate Teacher's Book offers detailed teaching notes for every lesson of the Student's Book. It includes extra photocopiable activities, keys to exercises and extra teaching notes.

Get on Stage! is a photocopiable resource book with 21 original sketches and plays for young learners and teens. The book is divided into four sections: Short humorous sketches, Medium-length sketches, Medium-length plays based on traditional stories and teen dramas. The DVD contains video recordings of three sample plays. The Audio CD contains audio recordings of a further 11 plays, and photocopiable worksheets to check students' comprehension and practise key vocabulary, lexical chunks and grammar. It also shows co-author Matt Devitt, professional actor and theatre director, rehearsing a play with a group of students.

A beautifully designed edition of one of the most beloved science fiction novels of all time... First published in 1895, The Time Machine won author H.G. Wells immediate recognition and has been regarded ever since as one of the great masterpieces in the literature of science fiction. It popularized the concept of time travel and introduced the concept of a "time machine" device that could travel forwards and backwards through the years. It is the story of one man's astonishing journey beyond the conventional limits of the imagination. One of the most renowned works of science fiction, The Time Machine reflects on the adventures of The Time Traveller - a man who constructs a machine which allows him to explore what the future has to offer. When he courageously steps out of his machine for the first time, he finds himself in the year 802,701—and everything has changed. In this unfamiliar utopian age, creatures seem to dwell together in perfect harmony. Thinking he can study these marvelous beings and unearth their secret then return to his own time, he discovers that his only avenue of escape, his invention, has been stolen. Wells is generally credited with the popularization of the concept of time travel by using a vehicle that allows an operator to travel purposefully and selectively. The term "time machine", which was coined by Wells, is now universally used to refer to such a vehicle. The book has been adapted for a number of films and television shows, as well as inspiring other science fiction writers.

'Speakout' is a 6-level general English course for adults developed in association with the BBC; bridging the gap between the classroom and the real world helping students express themselves in English.

Link Up is a new edition of a successful five-level course in British English that introduces teenagers to relevant themes through the study of English. Age-appropriate materials offers learners a balanced

approach to reading, writing, listening, speaking, vocabulary and grammar - and motivate them to use English. Learner and teacher needs are addressed by a comprehensive package which includes Course Book with Audio CDs, Workbook, Teacher's Book, Test Book, Class Audio CDs, and an Assessment CD-ROM with ExamView.

Spotlight on Writing offers teachers a wide variety of topics and activities to stimulate, engage, challenge, entertain and extend all pupils' writing skills. This extremely practical resource provides busy teachers and teaching assistants with a collection of worksheets that can be used as instant, educationally appropriate learning activities written specifically with the inclusive classroom in mind. The wide variety of exercises encourages pupils to think about writing and to develop skills in writing facts and information, creative writing and editing, whilst building confidence and motivation. Teachers can use this book to develop a flexible inclusive approach, comprising individualised materials and opportunities for extended practice. All the books in this series: Promote effective intervention and inclusion strategies for teachers and teaching assistants Provide materials that are solidly grounded in an understanding of how children learn and the particular difficulties of children with special needs. Stimulate discussion and interaction Can be used as part of an individual or small group learning programme for a child with special needs Provide 'whole class' materials that can also engage older children or those with a higher level of achievement Offer teachers quick, fun activities that never require additional resources, special materials or preparation. Spotlight on Writing is an essential tool for any teacher striving to offer every pupil opportunities to maximise their own potential and develop strong writing skills.

A supportive course that helps students of all abilities build confidence through graded practice. The flexible package makes it ideal for mixed-ability classes, and varying teaching loads. English Plus develops students' communication skills through a structured and methodical approach, helping students to achieve their individual learning outcomes in every lesson. The Teacher's Book provides extensive methodological support, comprehensive teaching notes, and extra materials for use in class.
