delineating how women who are traumatized by rape adapt to this intrusion of violence into their lives and how those who develop posttraumatic stress disorder (PTSD) recover. In turning the unabashed eyes of scientists to the treatment of PTSD, Foa and Rothbaum present a description of the disorder based on the research literature.

Trauma - HelpGuide.org

The book opens with a vivid, gripping account of rape trauma that underscores the terror of sexual violence. Turning next to the scientific literature, the authors review studies on epidemiology, psychopathology, and treatment for rape-related posttraumatic stress disorder, and interpret these data within the framework of Foa's emotional processing theory.
