Using the metaphor of the Warrior Goddess, this book explains something that Ayurveda describes as "inner healing intelligence" that can enable women to successfully fight breast cancer and claim the healthy body that should be theirs.

This book explains, in easy-to-understand terms, the

numerous (and sometimes complicated) factors that influence sleep and wakefulness. Although sleep deprivation is so commonplace in our stress-filled society that it is taken for granted, "sleep debt" is actually very costly. This title will help readers regain the ability to sleep well and improve overall health. This book also provides a handy guide to selecting and purchasing natural sleep remedies and lists additional resources for finding sleep-related information and products.

Esther Supernault put her life on the line for her beliefs. In Blue Diamond Journey, she shares her secret gift of insight and guidance from the world of

spirit. Born of a Celtic and Native American heritage of seers, she narrates how she received incredibly detailed, sometimes humorous messages from her dreams, visions, and meditations—messages that she then validated with solid medical research. Day by day she was guided to specific foods, helpers, therapists, doctors, and books to heal her breast cancer—without chemo or radiation. Every person is part of an interconnected web as vast as this universe, rather than a collection of parts. Our innate, inner soul contains incredible healing wisdoms. Real healing honours this web of interaction—far beyond scientific logic or fact. What causes an illness will also help heal it. All the answers we need to heal are

within us, and Esther demonstrates how to listen to those answers. Her journey slowly uncovers a rare diamond in the rough—the dawning evolution of a seer, visionary, and wisdom keeper. With her gifted, gentle healing messages, Esther weaves a marvelous, magical, true tale in Blue Diamond Journey.

'Waking the Warrior Goddess' sums up with Dr. Horner's program for reclaiming health and defeating breast cancer. Each step is presented as a new strategy to implement into one's daily life. The program focuses on those nutrients and activities that

bring health, vitality, and longevity to women. An extensive resources section lists contacts for obtaining various nutrients and toxin-free products to keep your Warrior Goddess strong and healthy.

It's not WHO Jael was that makes her special but WHAT she did for God. What Jael did was she heard God's call and faithfully obeyed. What Jael did was not self-serving, but was God's bidding. What Jael did was exactly what God planned for her, and she did to the best of her feminine ability. How ironic that God choose a gentile woman, whose ancestors worshipped idols, for such a major task. What message do we see in this story? It shows us that God does not view us as

saved or unsaved. Jael was neither Israelite nor male but God used her anyway. God used her in a way that requires the faith of a Christian and the courage of a male, yet she was neither. God used the least and less likely one in the village. She was a nomad, the one that did not belong.

INCLUDED ARE PRAYERS BY: Dr. Mark I. Bubeck, Dr. Neil T. Anderson, Brother Andrew, Nancy Leigh Demoss, Dr. Fred C. Dickason, Rev. Paul Estabrooks, Dr. Erwin W. Lutzer, Stormie Omartian, Dr. Ray Pritchard, Dr. Marcus Warner, and others. Newly updated to include an “Introduction to Spiritual Warfare” by Dr. Marcus Warner. The Bible is clear — from the moment we draw our first breath, WE ARE AT WAR. Satan hates us and wants to destroy us — because the Lord loves us. A supernatural battle is waging all around us and if you are not a warrior, you will be a casualty. Christians must face this battle head-on by learning to put on the full armor of God every day. If we are not equipped properly, we will

wonder why we live such defeated lives. Satan is alive and well and "prowling around like a lion seeking whom he can devour." We must use the weapons that God has provided for us to do battle for ourselves and for those that we love. A Warrior's Prayerbook is a clear and concise resource designed to help you put on the full armor of God. This book is filled with doctrinally sound prayers, written by great men and women of faith, past and present, that will help you be a fearsome prayer warrior in your spiritual battle.

ENDORSEMENTS A Warrior's Prayerbook will be a great help to many and a service to the Body of Christ. Many will have never seen anything like these prayers. They should not only be a help to those who

use them but also a wake-up call and challenge to many who never thought of warfare and practical praying against evil. Kathryn has done a great work in compiling, organizing, presenting, and publishing this book. Good art work. Great need. Great taste. DR. C. FRED DICKASON Author and Fmr. Systematic Theology Chair - Moody Bible Institute, Chicago "The Christian life is not a playground; it is a battleground." Warren Wiersbe We're in a battle every day. If we take seriously Paul's call to "Put on the whole armor of God" (Ephesians 6:11), then we know that we need to pray. But how should we pray when we go into battle? My friend Kathryn McBride has helped us hugely by compiling A Warrior's Prayerbook for

Spiritual Warfare. The first part of the book contains prayers from esteemed Christian leaders like Erwin Lutzer, Mark Bubeck, Fred Dickason, and Brother Andrew, arranged in categories such as "Affirm," "Resist," "Renounce," and "Prayers for Others." The book also includes the full text of many Scriptures on spiritual warfare along with very helpful quotes from noted Christian leaders. This is the most comprehensive guide to spiritual warfare praying that I have seen. We need a book like this so that when the enemy surrounds us, we will know how to get in contact with the Captain of our Salvation. Read it and you will be better prepared to stand strong when the devil attacks you and your family. DR. RAY
